***Polled Shorthorn Auction Sale***

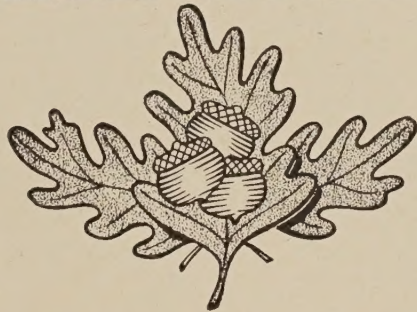

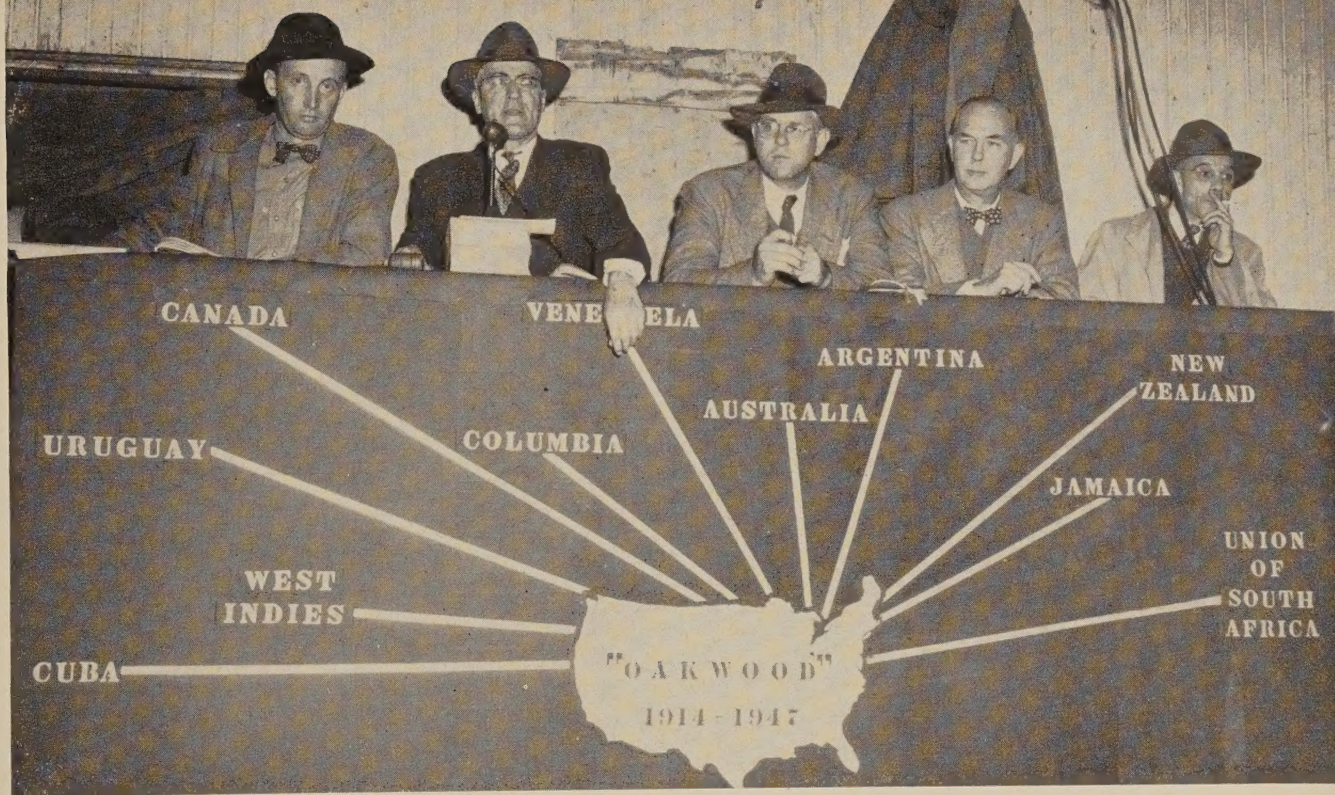

# The Oakwood Influence..

This map on the front of the Oakwood auction block tells a convincing story of the influence of a great herd on the cattle stocks of the world. In almost every one of these United States and in eleven foreign countries Oakwood Polled Shorthorns are at work . . . building a greater breed and increasing the profits of their owners. Such recognition must be deserved. Such recognition cannot fail to cause within **YOU** a great desire to improve the Oakwood way.

who represent  
Oakwood Stock Farm**

Paul W. Teegardin, Mrs. Paul W. Teegardin,  
Carol Teegardin and Paul W. Teegardin, Jr.

"There will always be a hearty welcome at Oakwood Stock Farm for those who share our love for good Polled Shorthorns."

# WE INVITE YOU

We extend a cordial invitation to all who are interested in Polled Shorthorn cattle to be with us on the occasion of our **Ninth Annual Sale**. You will note that we have changed from a Fall to a Spring Sale. We had a two-fold reason for making such a change . . . first, because we want the kind of weather that will allow every visitor to stroll through our pastures and paddocks for a real inspection of the Oakwood Herd . . . and second, because what we believe to be one of the strongest offerings in Oakwood history is ready now. With confidence that they will improve the breed wherever they go, we are proud to offer these seven outstanding young bulls and thirty-seven royally bred females. We are certain they will make friends for Oakwood Stock Farm.

# GENERAL INFORMATION

This auction sale will be held at Oakwood Stock Farm, owned by C. B. Teegardin & Sons, Ashville, Ohio, on Monday, May 31, 1948.

The sale will start at 1:00 P. M. Lunch will be served at the farm.

Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U. S. Highway No. 23 south, ten miles to Oakwood Stock Farm sign at cross road. Turn left and go through Duvall, Ohio, six miles east to Madison Township School. Turn right to farm—one half mile.

We ask all who travel by train to advise us in advance so that we can meet them in Columbus.

We suggest that you come to the sale early so that you will have an opportunity to inspect the Oakwood herd of breeding cows as well as our herd bulls—Coronet Command, Oakwood Leader, Oakwood Crown Command and Alpine Sensation and Gold Sovereign.

The auctioneers will be J. E. Halsey, Paul Good, Hamilton James, and Gordon Perrill.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.

E. M. Huff, The Shorthorn World, Aurora, Ill.

Clinton K. Tomson, American Shorthorn Breeders' Ass'n., Chicago, Ill.

F. W. Harding, 807 Exchange Ave., Chicago, Ill.

C. D. Swaffar, Sec. Am. Polled Shorthorn Society, Chicago.

They all look happy ...  
and they are happy.  
Those who attend Oak-  
wood auctions are al-  
ways delighted with the  
quality of the cattle and  
with the hospitality of  
the owners. Why don't  
you plan to attend the  
1948 sale?

Six more beautiful females that will sell in this sale. From left to right: Oakwood Rosewood 28th (Lot 12), Oakwood Missie 17th (Lot 19), Oakwood Lady Mayflower 3d (Lot 22), Oakwood Mayflower Maid 2d (Lot 11), Butterfly 55th (Lot 36) and Hi-View Princess 2d (Lot 31).

Let us make your Hotel Reservations for you. Try to arrive on Sunday, the day ahead of the sale, for an inspection of the breeding herd.

## Guarantee

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

## Terms

The terms of the sale are cash.

## Health

The Oakwood Polled Shorthorn herd is Federally Accredited for Tuberculosis and is tested regularly for Bangs Disease. Health Charts will be provided that will comply with the regulations existing in any state. Nearly all of the females in this sale have been vaccinated for Bangs. We practice calfhood vaccination at Oakwood and all calves are pretested and clean before vaccination.

## Headquarters

Headquarters for our sale will be at the Neil House in Columbus, Ohio. Our farm is located 16 miles South of this city. If you come to the sale by car, please invite your neighbor breeders to ride with you. If you come by train or bus, simply go to the Neil House in Columbus and we will provide transportation to the farm if NOTIFIED.

We will do everything in our power to insure the safety of sale day guests but we assume no liability for accidents of any nature.

Some beautiful scenes in  
Oakwood pastures.

Thirty-four years ago the Teegardins started to breed Polled Shorthorn cattle. Perhaps fewer cattle were purchased at the outset than are acquired for the foundation of most herds, but the owners had studied and knew how to start. They knew bloodlines and they confined their purchases to those that were dependable. They knew the type and quality that was necessary for the building of a great herd and they did not allow themselves to be swayed into the purchase of some that were "almost as good." A full volume would be needed to relate what they have accomplished in the third of a century that has passed. Briefly, they have exhibited and used more International and State Fair champions and first prize winners than any other Polled Shorthorn firm in the World. An even greater contribution to the industry is the fact that they have distributed to all parts of the United States and to eleven foreign countries the kind of seed stock that has resulted in permanent improvement for the Polled Shorthorn breed.

What the Teegardins have done you can do . . . and the job is now easier. By buying the choice individuals in this sale you have the opportunity of starting at the point in Polled Shorthorn progress that it has taken these Master Breeders a third of a century to reach.

The 1948 Oakwood offering is very strong. The seven bulls will bring fame to their new owners and the thirty-seven females will be top producers in the herds of their new owners. If I were establishing a herd for myself, I would want in my foundation the kind that are to be offered in this sale.

# Would You Pay A Little More To Get A Lot More?

On the following twelve pages will be found the pictures of some of the famous sires that have been used at Oakwood Stock Farms as well as the pedigrees of those that are at present in service. Those who study this section carefully will know why the top auctions have been held at Oakwood for so many years. They will also know why the real students of the breed buy Oakwood productions with such a feeling of security.

Successful breeders are aware that the management of a purebred herd may be likened to the management of a bank account . . . **you can't take out any more than you are willing to put in.** Oakwood bred Polled Shorthorns make good because they are BRED to make good. The position of your herd can be strengthened by the purchase of such seed stock . . . and the best ever offered from the Oakwood herd are in this sale.

OAKWOOD ROYAL KING x

*For five consecutive years the "get of sire" class at the International Livestock Exposition was headed by the sons and daughters of the International grand champion, Oakwood Royal King x. No other Polled Shorthorn bull has ever equalled or even approached this record.*

When Gosshall Ximenes was sold at the 1942 International Shorthorn Sale, Shorthorn breeders were unanimous in their opinion that he was the greatest prospect for a sire that had been offered in a generation. That he should sell for the top price at auction in this country in over two decades, was indicative of their confidence in his future. At that time we had in service at Oakwood three International Grand Champion bulls, but we felt that Gosshall Ximenes could write a new chapter in Polled Shorthorn achievement to use him upon the daughters of these bulls and, in cooperation with Montana Hall, we purchased this bull at \$5,700. His sire, Col-doch Union Jack, was the Supreme Champion at the Perth Show in 1932. That he proved himself an equally noted sire is now history. The record of the sons and daughters of Gosshall Ximenes in the past three Oakwood Sales stands unprecedented, these cattle sired by this great bull having averaged \$1,712.50. A son Oakwood Grand Duke, sold to Jamesway Farms in our 1946 sale at \$5,000, the top figure in history for a Polled Shorthorn bull sold at auction. A son was Reserve Champion at the 1946 Congress and another son sold at \$2,050 to bring the second top price. Like his other sons, both of these bulls are proving outstanding sires. His daughter, Gloster of Oakwood B, was the undefeated Grand Champion at the State Fairs of 1946. Gosshall Ximenes died April 30th 1947. History will surely rate him as one of the GREATEST of the breed's GREAT SIRES!

Coronet Command was the undefeated Junior Champion bull at the 1940 Illinois, Iowa and Nebraska State Fairs before we purchased him to bring him to Oakwood. He was made the Junior Champion bull at the International shortly afterward and came back in 1941 to be crowned the Grand Champion bull of the year at the Ohio, Maryland and Virginia State Fairs and the International. He has proved his ability to pass on his unusual thickness, depth of body, full quarters and compactness to his calves. He was sired by the 1937 International Junior Champion Cherry Coronet, who, in turn, was by the International Grand Champion Count Coronet. Count Coronet was by a half brother to Oakwood Royal King and we are thus continuing our line breeding policy. See his calves and you will appreciate why we are so enthusiastic about him. Study his son, Oakwood Crown Command and you will agree you have never seen a thicker, more compact bull in the breed's history. That's why we brought him back to Oakwood when the Montana Hall Herd was dispersed.

Oakwood Lady Golden, a full sister to Oakwood Leader that has been retained for 1948 shows and the Oakwood herd.

Oakwood Leader is the kind of a bull we dreamed of when we first saw Gosshall Ximenes. That's why we chose this calf to follow in the path of his sire when Ximenes died last April. He has as good a head as we have ever seen on a yearling bull—the head of a sire—a breeding bull's front. He's deep, he's thick, he's smoothly turned, he carries his width from end to end and he's as wide as they come at both ends. He has a perfect color, deep and rich, and he inherited both his excellence and his color from his sire as well as from his dam. His dam is a cow that pleases us fully; a heavy milker, ideal in her type and bred right, which is fundamental to us in the dam of any herd bull. She's a Shepherd Rosemary, a granddaughter of the International Grand Champion, Lee Dale Collynie, and also a granddaughter of the 1927 International Junior Champion, Rosewood Renown. Deep in polled blood, smooth head, seven polled crosses on each side, we have used him liberally on the heifers selling. In spite of his heavy service he was made Grand Champion bull at the Ohio State Fair, headed the winning three bull group, the winning two bull group, the Get of Sire, the Pair of Yearlings and the Best Bull and Female Group. We never showed a Grand Champion that was more universally acclaimed! That pleases us for it substantiates our judgment of him and our thought in buying his dam to mate to Gosshall Ximenes. His first calves are here and we feel he has justified our confidence. See them sale day. You'll be convinced.

**We Believe He  
Will Sire the  
Right Kind . . .**

OAKWOOD MODERATION is the son of Oakwood Nonesuch, we have elected to carry forward the influence of his sire and the Oakwood Royal King Dynasty. He possesses the head of a sire, like his sire's, and he is a balanced bull from end to end. Deep bodied, short coupled, level in his tail setting, full in his quarters and with a straight hind leg. See the daughter of his dam selling in the sale. Consider the record of Oakwood Magic King (sire of the \$2,400 top female in our last sale) in the Leemon herd, where he sired many of the best. Remember, his sire was a championship winner at the 1933 International and sired many champions in the Munro herd in Australia. Backed by two International Grand Champion bulls in addition to Oakwood Nonesuch and Oakwood Resolution, and from such a grand producing cow, we just BELIEVE that he'll sire the improving kind.

## Alpine Sensation x

In Alpine Sensation we feel we have one of the truly great bulls produced to date. He represents the "most of the best" in a mature bull. He's the shortest legged bull we know of and he is thick, deep bodied, compact and has a full, deep quarter. His top is wide and his tail setting is level. He's a balanced bull any way you look at him.

Furthermore, he is bred to be a champion. Collynie Impression sired the 1943 and 1944 Polled Shorthorn Congress Grand Champion bulls. Alpine Sensation is his greatest son! His dam is a granddaughter of Daybreak's Collynie, son of the International Grand Champion Lord Collynie and out of the International Grand Champion female, Scottish Daybreak 9th. Line bred in the blood of Lord Collynie, we rate him as the most outstanding bull of that dynasty.

Alpine Sensation was Reserve Champion at the 1945 Congress, in medium condition. He was Grand Champion at the 1946 Ohio, Maryland and West Virginia State Fairs and at the Atlantic Rural Exposition. He closed his show career by being awarded the Reserve Grand Championship at the 1946 International. We are highly pleased with his calves and his get selling in this sale, and the calves coming on will furnish ample testimony of his ability as a sire.

GOLD SOVEREIGN is a solid red bull that we are fitting for this season's shows. Good judges call him a "nugget of Polled Shorthorn excellence". When you see him on sale day we hope that you will share our confidence in him. He is short of leg. He is deep bodied, closely coupled and thick. He has spread and depth of rear quarters. As you study him you find that he is ALL BULL! Wide and thick—a real 1949 Model!

This bull is a grandson of Oakwood Gold Standard, full brother to Oakwood Commander, 1940 International Grand Champion, through his sire. His dam is a top daughter of Collynie Fascinator, sire of the \$4000 Collynie Compact and many others of the best of the breed. He is backed by a combination of the blood of no less than four International Grand Champion bulls and we feel that he reflects his background.

A few heifers are carrying his service and we have mated some of our best cows to him.

# Oakwood Crown Command x

Oakwood Crown Command x is a type study in Polled Shorthorn excellence. He is one of the shortest legged bulls we know of. He has a lot of natural thickness and he has remarkable depth of body. His shoulders are smooth and his quarters are full. His is the head of a sire and he is another 100% de-horner. His first two calves were dropped just prior to our 1945 Sale and we were certain he was the answer to our problem of a sire. We have used him liberally since and we are most enthusiastic about the calves that are being dropped. They are good colored, thick, low set and full quartered. We invite everyone to inspect them and we know when you do that you will understand our enthusiasm for him.

Coronet Command x, his sire, was the Junior Champion at the 1940 International and the undefeated Grand Champion of 1941. The dam of Oakwood Crown Command x was bred at Oakwood and sired by Sultan's Challenge x, a dark roan grandson of Beauty's Sultan x that went to Australia where he was used by Douglas Munro. The second dam was by Oakwood Royal King x and was a full sister to the 1934 International Grand Champion, Oakwood Regent x. Her dam produced three bulls to win championship honors at the Internationals!

With such inheritance and performance to support his individual excellence we feel secure in his unlimited use.

Gloster of Oakwood B, the undefeated grand champion Polled Shorthorn female of 1945-1946 state fairs. She won grand championship at the Ohio Polled Shorthorn Show at Wellston in 1945 and at the Ohio, Maryland, West Virginia State Fairs, and Atlantic Rural Exposition in 1946. She is a daughter of Imp. Gosshall Ximenes and is typical of his get. On sale day we want you to be sure to see her daughter by Oakwood Crown Command and her son by Oakwood Leader.

OAKWOOD SENATOR has been rated by good judges as one of the best prospects that we have produced. He has a sharp, clean poll and looks like a de-horner. He is thick, deep bodied, full quartered, level in his tail setting and a calf of class and distinction. His rich, dark, roan coat, almost red, his sappy hide and his thickness of flesh combine to complete his appeal.

With Alpine Sensation for his sire and the dam of Oakwood Crown Command for his mother, we are assured that he will write a new chapter in Polled Shorthorn Progress. His granddam was a full sister to the 1934 Internattional Grand Champion, Oakwood Regent, and her dam produced three sons to win championship honors at the International. We want to reserve the right to show this bull this season.

OAKWOOD HELMSMAN is a replica of his famous sire at the same age. Short legged, low set, deep bodied, full quartered and a bull with spread of top and levelness. A rich, deep red and a pattern of promise.

His dam is a solid red, heavy milking cow that has consistently produced a good one and moreover, she is a three-fourths sister to the three times championship winner at the International, Oakwood Harmony. Bulls and females alike, from this family, have produced many of our best and we commend this calf for your critical consideration. Right in type, deep in polled blood, perfect in color, ideal in inheritance, he cannot help but please the critical!

He has a natural thickness of flesh, a sappy hide, and an ideal rich dark color. He looks a sire! He can win in fast company. This bull represents a combination of proven bloodlines. His sire, Oakwood Restoration, is a \$3000 son of Gosshall Ximenes and he is also a grandson of both Oakwood Royal King and the Perth Supreme Champion, Coldoch Union Jack. His dam was one of the best daughters of the 1939 International Grand Champion, Oakwood Merry King. Thus, he has a double infusion of the blood of Oakwood Royal King, the peer of sires.

Individually, he is outstanding. His inheritance is super! His worth as a sire is unquestioned. Own him and he will prove himself!

OAKWOOD PRINCE PETER looks like a prospect to sire top calves and put some herd in the King Row. A head and front of a breeding bull, character, style and class, he has all of these qualities. Rugged, level, true in his lines, he has balance from end to end.

His sire is one of the best breeding sons of the Perth Supreme Champion, Calrossie Prince Peter. His dam is one of the breed's top cows, purchased in our last sale by Lehnert and Giesy at \$2450. She is by Collynie Type 3rd, who sired so many winners at Lynnwood and in the Hultine herd. The second dam is also the granddam of the \$4000 Cherry Hill herd sire, Collynie Compact. We call his inheritance a blending of the BEST and an assurance that he can be a TOP SIRE. His new ownership will be watched with interest by every Polled Shorthorn breeder. What more could you desire?

OAKWOOD KING COMMAND is a grandson of both the 1941 International Grand Champion, Coronet Command, and the 1930 International Grand Champion, Oakwood Royal King. He cannot fail as a sire with such backing. He has a smooth head. Like his sire and the sire of his dam, he promises he will be another 100% dehorner. His dam has produced calves that have made good in every herd into which they have gone. Of note, is her son, Oakwood Merry Factor, whose calves have been tops in the herd of Dr. Griffin, Chipley, Florida, for these calves have netted over \$200 per head above the sale average of every sale to which Dr. Griffin has consigned! This bull has an ideal color, he is balanced, deep bodied, short coupled and smooth. With such heritage as he possesses he will be worthy of careful consideration.

OAKWOOD LODESTAR is a solid red son of Alpine Sensation which should add further testimony to his ability to sire them right.

This calf has the head of a sire. He is short legged, deep bodied, full quartered, level and wide of rump and smoothly turned, withal. He is a calf of unusually strong heritage. His dam is a solid red by the 1940 International Grand Champion, Oakwood Commander, and a top cow by any standard. His granddam is by the 1936 International Grand Champion, Oakwood Emperor, and the next dam by the twice International Grand Champion, Lord Collynie. Add to that Sultan's Creed and Golden Gauntlet, both International Champions, and you will agree that his promise is amply justified. Consider him from every angle and you'll find every assurance of his worth!

OAKWOOD RESOLUTE is a solid red calf that we rate as a prospect of top rank, both as a sire of correct pattern and as a show prospect capable of withstanding strong company. Bully headed, short bodied, deep, well quartered, level and true in his lines, smoothly turned and with a rear flank that is seldom found.

His sire is owned in partnership with Dr. and Mrs. Parke G. Smith and he is one of the best sons of Gosshall Ximenes out of a full sister to the 1934 International Grand Champion, Oakwood Regent, by Oakwood Royal King.

Oakwood Rosewood 7th is one of the very best daughters of Oakwood Royal King, 1930 International Grand Champion. Oakwood Baron, sire of the second dam, was the 1927 International and American Royal Grand Champion. The third dam produced three championship winners at the International. We feel that this calf inherits performance and prestige second to none!

# About the Females in this Sale . . .

Although we are perfectly willing to await the judgment of the public as to the worth of our sale females, to us the 1948 Oakwood offering contains more of the kind upon which successful herds are founded than any previous offering. Always we have tried to anticipate the needs of prospective buyers and to so arrange the offering that the needs of our customers will be best served. This year we are listing approximately twenty heifers that are in calf to Coronet Command x, Oakwood Leader x, Alpine Sensation x and Oakwood Crown Command x and those who buy them will not have to wait long for liberal dividends on their investments. Since the heifers themselves inherit outstanding individuality from noted ancestry, there can be no doubt of the quality of the calves they are carrying. A dozen open heifers are to be sold and we are very proud of them. This group is packed with potential show ring winners.

We ask you to note carefully the strong Scotch females that are represented as well as the number of females that have been produced through the blending of the blood of SEVERAL International grand champion bulls.

Weigh the worth of females of such matchless inheritance. Never in the history of the breed has their kind been available in such numbers.

*If some far sighted beginner had the courage to buy the ten best females in this offering along with the best bull in the sale, within the span of five years that beginner would be recognized as owning the best Polled Shorthorn herd in the country. He would not have the MOST cattle but he would be sure to have the BEST.*

OAKWOOD MERRY MISSIE 2d is a solid red daughter of the many times champion, Alpine Sensation. She is right in color and in type; her breeding is all that could be desired. Her dam has four International Grand Champion bulls, one on top of the other, at the top of her pedigree. These Edgcote Missies have been great producers in our herd and they have done equally well in other herds into which they have gone—in this country—in Australia—everywhere!

This heifer sells mated to Oakwood Leader and we are quite confident about the rightly expected outcome of that mating to a heifer carrying such a wealth of championship breeding.

OAKWOOD MYRTLE is a heifer that we had never considered parting with, for many reasons. In the first place, she is an outstanding prospect for a breeding cow. You wouldn't ask for a better head. She's deep, she's thick, she's balanced and she topped the Ohio Futurity Class at the 1947 Ohio State Fair. She is out of the dam of Oakwood Graduate, purchased by Mrs. Fay Ingalls in our 1946 Sale at \$2000.

We topped the Benroth and Griffith Sale to own Strowan Myrtle. This Phingask Myrtle family has produced the top cattle for years at Edellyn, at Maxwalton and in the Douglas herd in Canada. We consider her one of the greatest buys we have made and this heifer offers ample testimony. A granddaughter of the International Grand Champion, Coronet Command, out of a granddaughter of Calrossie Graduate, by the Perth Supreme Champion, Calrossie Control. Add to that a cross of Browndale Pilot, followed by Imp. Brawith Boy, the only Scottish Highland Champion ever to come to North America!

Oakwood Myrtle sells mated to Oakwood Leader and when you see his calves on sale day you will understand more fully why we hate to part with her. We never sold a more valuable breeding prospect. None is more richly bred! None carries greater earning power or more assurance of success!

CHERRY HILL LANCASTER is a daughter of the \$4000 Collynie Compact, who sired the \$3500 1946 International Grand Champion female and the \$3300 1947 Congress Champion female for Cherry Hill Farm.

The dam of this heifer produced the 1946 Reserve Champion bull at the Polled Shorthorn Congress. With such a background, this heifer cannot fail to give a good account of herself. We rated her as one of the better prospects in the Cherry Hill Sale and we bought her to mate to Oakwood Leader. She is settled to him, and only the fact that we are short of females for this sale plus the fact that we want to make this offering equal to the best, is she available. Regardless of her cost, she will be worth it! Her calf by Oakwood Leader could pay all the bill!

OAKWOOD MAYFLOWER MAID 2d is a rich red heifer of show ring promise and one that carries every assurance that she will make a great breeding cow. The breed has had few cows whose record for producing top calves can approach that of Mayflower Maid 2d. Her daughter, Mayflower Maid 4th, was the 1941 Polled Shorthorn Congress Grand Champion female, selling to Lynnwood Farm at \$1000. Another daughter went to Lynnwood in our 1941 Sale and, in turn, topped their females in 1944, going to California. Another daughter sold in the 1943 Congress Sale at \$1100 and a fourth daughter brought \$975 in our 1944 Sale to go to Montana Hall. We rate this heifer calf as her best one and we are only selling her to make sure that this offering contains MORE TOPS than any previous offering. Her inheritance is proven. Her future is unlimited. Her earning power is assured!

All of these beautiful heifers are to be sold in this Ninth Annual Oakwood Sale. From left to right they are: Sand Prairie Cowslip 5th x, (Lot 13), Eliza 36th x (Lot 20), Oakwood Myrtle x (Lot 9), Jealousy of Cedar Hills 2d x (Lot 28), Glosier of Cedar Hills 2d x (Lot 35), and Oakwood Merry Missie 2d x (Lot 8).

Here's another quality group, all selling in this auction. Where can you find thicker, blockier heifers with better polled heads? We ask you to study this catalog because we want you to be convinced that every Oakwood animal is a superior individual by INHERITANCE.

OAKWOOD ROSEWOOD 28th, a daughter of the many times champion, Alpine Sensation, should find a host of admirers. She is only a young thing, but her future knows no bounds. Her dam is a doublebred granddaughter of Oakwood Royal King, the peer of sires, being sired by Oakwood Emperor and out of a full sister to the 1934 International Grand Champion, Oakwood Regent. The third dam produced three International Championship winning sons. From top to bottom, this pedigree is filled with assurance of her worth as a breeding cow. We know that our own progress will be hampered without her. Owning her will never cost you anything, for she's the PROFITABLE KIND!

SAND PRAIRIE COWSLIP 5TH is a truly beautiful dark roan heifer that all good judges will admire. Sweet headed, short legged, deep, smooth, level, true in her lines, a heifer of style.

Maxwalton True Measure is considered by Marshall Boyle as the best sire he has used. His calves convince us that he is right and this heifer is one of his first. This Cowslip family is one of Scotland's best and we never owned one of them that didn't make a good breeding cow.

She sells mated to Oakwood Leader and we feel that the calf, bull or heifer, could well be one of the 1949 winners of any TOP SHOW! If we're right, price isn't so important—it's OWNING her that counts!

**58TH DUCHESS OF GLOSTER**—If you like them thick, deep, roomy, good headed, level and smoothly turned, then you'll give 58th Duchess of Gloster a top rating. She fills your eye from every angle. Brood cow promise—breeding and inheritance—she'll DO—ANYWHERE! Her dam was a heavy milker and sired by a seven-eighths brother to Gainford Gondolier, sire of the \$2200 top female in our 1944 Sale. This heifer will be near to calving to Alpine Sensation and there can be no doubt of the possibilities for that calf!

**OAKWOOD MISTLETOE 5TH** is a sweet headed, deep bodied, roomy, short legged daughter of Oakwood Crown Command. We would really like to keep her, for her dam is one of our most consistent producers of top calves and she is by the Australian Grand Champion bull, Oakwood Consul. Here's another of the always profitable Edgcote Missie family. Everyone knows that they do well in every herd. Oakwood Reserve was the 1930 International Junior Champion and the next dam by the 1927 International and American Royal Grand Champion, Oakwood Baron. Don't forget that she is a granddaughter of Coronet Command and you will aspire to her ownership. She's mated to Gold Sovereign and that completes her appeal!

She is a show prospect for the senior calf class if carried along and she certainly looks a brood cow of the first water. Sweet headed, deep bodied, short legged, smooth, level and true, she looks like aristocracy!

She is a daughter of Oakwood Crown Command and a granddaughter of Coronet Command on her sire's side. Through her dam she is a granddaughter of both Oakwood Emperor and the Perth Supreme Champion, Calrossie Mercury. She descends from Evergreen Roan Lady, undefeated in 1936 and 1937 everywhere! This heifer inherits her promise—she will pass it on to her calves!

Oakwood Missie 10th sold to E. A. Dudley, Staunton, Va., another one of this Edgcote Missie family that is doing a great job for Polled Shorthorns.

**OAKWOOD MISSIE 16TH** is a roan granddaughter of Coronet Command and Oakwood Emperor, both International Grand Champions. This heifer is richly bred from each and every angle and her right to make a real breeding cow is unquestioned. She descends from Edgcote Flapper, by the Duthie bred Collynie Marshal, rated as the greatest cow that ever left the famous Edgcote herd. This pedigree sparkles with the names of bulls of known repute and each cow has been a top producer. This heifer can be one of the most profitable investments of 1948 for she sells mated to Oakwood Leader.

URY ROSE 31ST is one to remember if you like them thick, deep bodied, wide out and low down. She's as red as they come! She's bred RIGHT to be a brood cow. This family performs wonderfully in every herd, because the pedigree is studded with bulls that have contributed to Shorthorn progress down through the years. Her sire is a top breeding son of King Collynie Jr., recognized as one of the best sires in his era. Collynie Favorite was out of a granddaughter of the celebrated Highland Stamp and Ury Rose 16th carries a double infusion of the blood of Browndale Count. We have mated her to Gold Sovereign and we feel she should produce a calf that could well be a sensation!

ELIZA 36TH is a double bred daughter of the sire of so many champions, Collynie Goods. We feel that he never sired one of greater promise as a breeding cow or a show heifer. All critical judges will agree that she fills both requirements admirably. Isn't her head wonderful! And she's just that good all the way! Short of leg, deep bodied, closely coupled, wide, thick, well covered, a chock-full quality package from every angle.

This Eliza family is tops. Remember the sensational Eliza heifer shown by Mathers Bros. several years ago? She was a sister to the granddam of Eliza 36th. We dislike selling her, but our loss will be YOUR gain. She is mated to Oakwood Leader and progress is made with HER kind!

OAKWOOD GLOSTER G is a rich, dark, solid red heifer whose dam has never produced anything but an outstanding calf. Oakwood Gloster B, top selling female in our 1942 Sale to Dr. and Mrs. Parke G. Smith at \$1410 has been an excellent producer at Misty Vale, was out of this cow. Oakwood Gloster C, another daughter, went to Cherry Hill Farm in our 1943 Sale carrying the service of Gosshall Ximenes. The calf she was carrying was the second top bull in the Congress Sale in 1946 at \$2050.

Study this heifer from any angle. Sweet head, deep body, short coupling, balance—she fills your eye with brood cow excellence. No more richly bred Duchess of Gloster will be sold and ownership of her kind is your guarantee of SUCCESS!

OAKWOOD LADY MAYFLOWER 3D is a rich dark roan that would stamp Oakwood Mercurian as a sire of top notch calves. Her dam is a solid red, heavy milking cow that we bought in the Burns Dispersion and she always produces a top calf—just like this lady. Here's a Bruce Mayflower deep in the best polled blood, a family of highest repute and a heifer equal to her inheritance. Sweet headed, short legged, deep bodied, thick, wide and level, she's a show prospect and one that is certain to make a valuable breeding cow. We don't know her value, but we do know that top herds are builded upon her kind.

**OAKWOOD HAPPINESS 10TH**—Here is an intensely bred Oakwood Emperor-Oakwood Royal King heifer, with a dash of the Perth Supreme Champion, Calrossie Mercury, and the 1929 International Grand Champion, Oakwood Rodney, thrown in. She'll be a brood cow! This family just seems to produce top calves. Her dam is not only a three-fourths sister to Oakwood Harmony (three times a championship winner at the International) but to many other winners we've shown. This heifer will sell with a breeding privilege to Gold Sovereign and that should warrant plenty of interest in owning her!

OAKWOOD ROSEWOOD 27TH—We surely had never thought we would ever consent to allow Oakwood Rosewood 27th to leave home! Never! Only a shortage of females for this May 31st sale, plus a desire to make it a BETTER offering than ever before, has, at the last minute made us include her in the sale. We have no picture of her, but we are showing you a picture of her sister and we can only say, that **FEW BETTER INDIVIDUALS HAVE WE EVER PRODUCED!**

She's thick, she's deep, she's a heifer of spread and substance and she looks like a brood cow. That's why we put her back to stay here and ample reason for our confidence in her value to ANY herd. Her dam is a grand brood cow, one that has always nursed two calves. She is an 86th branch Bruce Rosewood and she is sired by a Congress Champion bull, whose grandsire was the International Grand Champion, Loyal Browndale. Oakwood Rosewood 27th is a daughter of Oakwood Lieutenant Commander, the \$4000 bull exported to King Bros. in South Africa, and she is well forward in calf to Oakwood Leader.

OAKWOOD DELIGHT E is a daughter of Gosshall Ximenes that we had planned to keep here at Oakwood. We feel that she has every right to make a top brood cow and she will not be highly fitted. Her full sister was one of the good females in our 1946 Sale, now a top cow in the herd of M. E. Beman & Son, Thurman, Ohio. Not only is this heifer the last daughter of Gosshall Ximenes to be offered, but her dam is a full sister to Oakwood Harmony, three times a championship winner at the International. Her dam is by Oakwood Royal King, the peer of all sires, and her granddam produced the dam of Oakwood Commander, 1940 International Grand Champion. To record the accomplishments of this family at Oakwood would be to repeat the winnings of many of our best, for they have been our best producers. That's why we hate to part with this heifer and why we are doubly sure that she will write a new chapter in Polled Shorthorn Progress for her new owner.

She sells forward in calf to Oakwood Leader and if you wonder just how promising her calf might be, ask to see a son of this bull out of a daughter of Gosshall Ximenes. History repeats itself—and inheritance ALWAYS DOMINATES!

MONARCH'S MISSIE is a dark, rich, roan daughter of Collynie Monarch, who sired the \$4000 Glen Knolls Monarch, now in service at Lynnwood Farm. This heifer is out of a really grand cow—deep, thick, low set and a heavy milker. She is by Oakwood Creed, twice a first prize winner at the International and Grand Champion at the Indiana State Fair. The next dam is by Oakwood Legend, a good breeding son of Oakwood Royal King, peer of all sires.

Monarch's Missie is well forward in calf to Oakwood Leader and she will be popular with the ringside on sale day. Grand color, broody, thick and level, she's backed by proven blood-lines of the best.

MAYFLOWER MAID is a rich colored dark roan heifer of correct pattern and excellent breeding. She is short legged, short coupled, deep bodied and wide, a heifer of show ring calibre. The Mayflower family has produced many of the breed's best cattle. We have two other Mayflower heifers in this sale and Gold Sovereign is out of a cow of this family. Good cattle!

The combination of International Grand Champion bull blood in Red Oak Principal through Collynie Stardale and Browndale Goldspur is RIGHT, as this heifer will attest. We hope that some young fellow can buy her for a foundation for his herd, for with her he would never need start over. She's RIGHT!

JEALOUSY OF CEDAR HILLS 2D is a solid red heifer that we rate high! She is sired by a double grandson of Cherry Coronet, sire of Coronet Command, our 1941 International Grand Champion. Her dam is a splendid daughter of the \$2000 Maxwalton Walkaway and the granddam is sired by a grandson of the International Championship winner, Calrossie Lord Rothes. This Jealousy family is one to tie to and this heifer is worthy of that kind of a background. Sweet headed, deep, smooth, level and short legged, she will make a grand cow. She sells well forward in calf to Oakwood Leader. What will that calf be worth? No one can guess, but anyone KNOWS that it should be among the BEST!

Red Gloster 2d x, shown above, is the dam of Lot 29. She was sold in our 1947 sale to Lehnert & Giesy at \$2450.

GLOSTER LADY is a daughter of the \$2450 Red Gloster 2d sold in our last sale to Lehnert & Giesy. She is one of the breed's top cows and this daughter is one we had saved back to stay here. We bred her to Coronet Command and she is near calving. What a calf that should be! Sired by the old International Grand Champion himself and out of a granddaughter of both Collynie Type 3d and Oakwood Commander, 1940 International Grand Chompion. Ask us to show you her first calf—that's all you'll need to be convinced of why we are reluctant to see her leave Oakwood.

SCOTTISH ROSE is a good headed, solid red heifer of the Cruickshank Butterfly family. Many will remember her half sister who was also sired by Glenwood Tribute and who was sold in our 1946 Sale, going to Lester Ingham, Fredonia, N. Y. at \$1000. This heifer was sold in our last sale to Highland Farm, Newport, Ky., and when Miss Pearce sold her farm we bought this heifer and Oakwood Merry Missie 2d, both of whom are selling. Scottish Rose is in good condition, a heifer of substance, thickness and depth. She is well along in calf to the 1941 International Grand Champion, Coronet Command, and she should appeal to those who aspire to own a calf by this great old sire.

HI-VIEW PRINCESS is a show prospect from any analysis. You just couldn't improve her beautiful color—roan that is dark and rich! She has a head that bespeaks class and quality. She's just that sort of heifer—every inch of her! Indeed, she should be one of the most highly desirable heifers to be sold this year, in any sale, ANYWHERE.

Her sire is a grandson of Browndale Villager, by the International Grand Champion, Browndale Goldspur. He is also a grandson of Collynie Mardale, by Collynie Sensation, who sired our 1940 International Champion, Oakwood Commander. Her dam is a granddaughter of Collynie Stardale, sire of two of the Congress Grand Champion females shown by Oakwood. This heifer sells mated to Oakwood Leader. It would be impossible to over-rate the merits of Hi-View Princess! True value to the nth degree!

Gloster of Oakwood C, shown above, is a daughter of Oakwood Crown Command x that we are retaining for 1948 shows. Her granddam was bought by E. P. Laughlin.

AUGUSTA 40TH is a richly bred Bruce Augusta sired by Coronet Nugget, a really thick and lowset bull who is siring them right. Her dam is by Oakwood Impression Jr., sire of the \$2000 Maxwalton Walkaway, now in service in the Millbrook herd of Wm. H. McDonnell where he continues to sire top cattle. The granddam is by Oakwood Chancellor, top bull in the 1929 International Sale, and he was sired by Royal Count Jr. who was the leading sire of winners in his day and a bull that we kept in service here at Oakwood all of his twelve years. Here is a solid red heifer of breeding, background and promise that is worthy of careful consideration.

GOLDSPUR'S BELLE is a rich, dark, even roan that will be popular with every critical buyer and they will all mark her as one of the best in any offering. In type, in thickness, in balance, in covering, shortness of leg, depth, levelness, she just recalls our purchase of the well remembered Evergreen Roan Lady. We think that this heifer is cut over the same pattern. She is well forward in calf to a son of the \$4800 bull heading the Holz Bros. herd, and rated as one of the greatest bulls of today.

LAVENDER OF CEDAR HILLS 4TH is a dark roan Silverthorn Lavender that should make a good brood cow. She inherits that guarantee for she's sired by a son of Collynie Type 3d and she's out of a granddaughter of the same bull. Consider further that she is a granddaughter of the 1931 International Grand Champion female, Scottish Daybreak 9th. Collynie Masterstroke 3d is the grandsire of the \$4000 Lynnwood herd sire, Glen Knolls Monarch. Such backing should be indicative of her earning power.

She sells mated to Oakwood Leader, so think twice before passing her.

Roan Secret 11th x

ROAN SECRET 11TH is a dark, rich roan heifer of the Cruickshank Secret family that is intensely bred in the blood of the great sire and International Grand Champion, Lord Collynie. She is a granddaughter of the well known Collynie Special and out of a granddaughter of Collynie Stardale, sire of two Congress Show Grand Champions. Sweet headed, thick and deep, this heifer will please the most critical. Study her with a thought of her value in your herd and the worth of her mating to the great young bull, Gold Sovereign—if this calf isn't of championship calibre, we can't predict one.

Oakwood Mercurian x, the outstanding son of the International grand champion, Oakwood Emperor x that heads the strong herd of R. M. Giesy, Jr., Lancaster, Ohio. He is the sire of Lot 40 in the sale.

LITTLEBROOK WHITE LADY is a prospect for a top breeding cow. She is a sweet headed, deep bodied, thick, level, lowset heifer of the richest lineage. Her sire is not only a son of the 1936 International Grand Champion, Oakwood Emperor, but a grandson of Oakwood Royal King and the Perth Supreme Champion, Calrossie Mercury. He was used at Oakwood before his sale to R. M. Giesy, Jr. and we are selling three other daughters, all of which bespeaks his ability as a top notch sire. The dam of this heifer is sired by a top breeding son of the International Grand Champion, Lee Dale Collynie, and is out of a granddaughter of the same bull. Breeding of the best, a heifer worthy of her inheritance and selling mated to Oakwood Leader, would have nothing to be desired.

WALNUT GROVE LAVENDER 3D is a perfect brood cow, a heavy milker, a rapid breeder and one that has produced two top notch herd bulls. One son heads the herd of Leo Luckett, Waverly, Ky., who selected him in the 1947 Polled Shorthorn Congress Sale. A richly bred Dunrobin Lavender. Few pedigrees are backed by the blood of five International Grand Champion bulls in the first four generations and that's ample reason why she's capable of building a prepotent and profitable family in any herd.

This cow sells with a solid red heifer calf at foot sired by Oakwood Leader and she is re-bred to Leader. Study this pair. Visualize the worth of this show prospect and remember that she is carrying another by the same bull. Don't pass them up if you want to breed the better kind! We don't like to see this pair leave Oakwood but Hal Longley insisted that we sell a cow, with a calf by Leader at foot, so we chose one we really believed in and the buyer will, we know, share our confidence.

JUNO OF ALPINE 5TH is only being offered as an attraction to satisfy the many requests to offer a cow with a heifer calf at side by the 1941 International Grand Champion, Coronet Command, and re-bred to him. This cow is one that we truly dislike to see leave Oakwood. Her first calf went to the H. C. Meyer herd in Minnesota, her second to Janesway Farm at \$1325 and her third to R. M. Giesy, Jr. The fourth calf is being fitted by our daughter, Carol, for her 1948 Club Steer and he's a good one! Her fifth calf is at side. She's smooth, broody, a heavy milker and comes from one of the breed's greatest families. The \$3300 Cherry Hill Juno, 1947 Congress Champion female, is out of Juno of Alpine 6th who is out of the same dam as Juno of Alpine 5th.

Here's one to tie to and to build a herd around!

Flora of Oakwood x, sold in our 1946 sale to E. A. Dudley of Virginia. A full sister to Lot 43.

FLORA OF OAKWOOD 2D—Those who attended our 1946 Sale will recall the outstanding roan Flora of Oakwood, one of the best individuals sold. She went to E. A. Dudley of Virginia and she is a top female in any collection. This heifer is her full sister and is only being offered to make this our best lot. No heifer of stronger background will be available. A daughter of Coronet Command, 1941 International Grand Champion, and out of the top female in the 1946 Shenandoah Sale, by the Congress Champion, Oakwood Pure Gold. Her granddam is by a top son of the celebrated Browndale Count and she comes of the Cluny Flora family. There could be no richer heritage! This heifer is an outstanding brood cow prospect and she is right in type, thickness, shortness of leg and has a grand head. We want you to see the bull calf out of her dam who is sired by Oakwood Leader. It will be a preview of what you may expect, for she is mated to the same bull.

L P S ORANGE BLOSSOM 3D—This solid red Orange Blossom cow has been a splendid producer. Her daughter, Oakwood Orange Blossom 3d, sold at \$550 to Wm. Martin of Washington, Pa. Her son, Oakwood Proud Actor, is now heading the herd of Genius T. Payne & Sons here in Ohio. By sale time she should have a calf at side sired by Oakwood Crown Command. We recommend her as a truly profitable kind on which to build. Her sire was a solid red 100% dehorning bull and a three-fourths brother to the 1940 International Grand Champion, Oakwood Commander. Here is a real Orange Blossom backed by proven sires and she's only being offered to satisfy numerous requests to offer a few proven brood cows with calves at side.

# WORTH CONSIDERING WHEN YOU'RE BUYING SEED STOCK

1. Eight International grand champion bulls have been developed and exhibited by Oakwood Stock Farm.
2. All eight of these bulls have been in service in our herd, where we have mated them to the most outstanding cows we could produce and that money could buy, always satisfying ourselves in each case that their breeding and inheritance were absolutely right!
3. The Oakwood show record stands unparalleled!
4. At sixteen International Shows, Oakwood Polled Shorthorns won thirty championships, one hundred thirty-seven first prizes and eighty-eight second prizes!
5. It is an honor to any herd to have in use a bull capable of siring a winning Get of Sire Group at this great show. We feel it noteworthy to emphasize the fact that seven times we have bred and shown this most coveted group to win first place at the International Livestock Exposition.
6. In a nation-wide contest conducted by The Shorthorn World, Oakwood Royal King was voted by popular ballot to be a two to one choice as the breed's greatest sire of all time! Oakwood Royal King spent his entire life of service here in the Oakwood herd!
7. As further evidence of the influence of Oakwood Royal King in breed improvement, we submit to you the fact that, with his sons and grandsons, we succeeded in heading the class for the best three bulls at the International Livestock Exposition for ten consecutive years! (In 1938 and 1941 we stood both first and second in this class.)
8. These records, a general acclamation of the best judges in this country, provide conclusive proof of the superior performance of the animals that have resulted from the carefully outlined program of the Teegardins.
9. The top sale of the Polled Shorthorn breed was held at Oakwood Stock Farm for six consecutive years. Public appreciation of Oakwood Polled Shorthorns is further indicated by the fact that they have been purchased by breeders in almost every state in the Union and by breeders in eleven foreign countries.
